

BHIMAVARAPU HEMANTH

Profession

Kakinada Andhra Pradesh | 9169225566 | hemanthphan13@gmail.com

Professional Summary

I am a highly motivated and innovation-driven student with hands on experience in hackathon-based problem solving and technology-focused project development. I have worked on impactful solutions such as TraWell, VaidhaSetu, medivine and ARK-AI, where I contributed to research, system design, and prototyping. My background combines analytical thinking, creativity, and leadership, allowing me to turn real world problems into practical solutions. I bring adaptability, quick learning ability, and a strong drive for continuous improvement, aiming to contribute meaningfully while growing toward advanced research and entrepreneurial goals.
